**The British Quarterlies, and Blackwood's Magazine.**

LEONARD SCOTT & CO., New York, continue to re-publish the following British periodicals, viz:

THE LONDON QUARTERLY REVIEW (Conservative.) THE EDINBURGH REVIEW (Whig.) THE NORTH BRITISH REVIEW (Free Church.) THE WESTMINSTER REVIEW (Liberal.) BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British publishers, by which we shall be able to place all our reprints in the hands of subscribers about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

Per ann. For any one of the four Reviews \$3.00 For any two of the four Reviews 5.00 For any three of the four Reviews 7.00 For all four of the Reviews 8.00 For Blackwood's Magazine 3.00 For Blackwood and three Reviews 9.00 For Blackwood and the four Reviews 10.00

Payments to be made in all cases in advance. Money current in the state where issued will be received at par.

**CLUBBING.**—A discount of 25 per cent. from the above prices will be allowed to clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or of one Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.

**POSTAGE.**—In all the principal cities and towns, these works will be delivered, through agents, FREE OF POSTAGE. When sent by mail, the postage to any part of the United States will be but 24 cents a year for Blackwood, and but 12 cents a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the publishers,

LEONARD SCOTT & CO., 54 Gold street, New York.

N. B.—L. S. & Co. have recently published, and have now for sale, the "FARMER'S GUIDE," by Henry Stephens, of Edinburgh, and Prof. Norton, of Yale College, New Haven, complete in 2 vols. royal octavo, containing 1600 pages, 14 steel and 600 wood engravings. Price in muslin binding, \$6.

This work is not the old "Book of the Farm," lately resuscitated and thrown upon the market.

**TO PRINTERS.**—A new edition of the Specimen Book of BRUCE'S NEW YORK TYPE FOUNDRY will be published in September, 1853, and will be given to those proprietors of printing offices who will send for it, or it will be forwarded to them by mail on receipt, in advance, of fifty cents for the postage.

In it are exhibited many articles never before shown; there have been added to the Foundry new varieties of Roman types from Nine-line Pica to Pearl, various imitations of writing, a great number of fancy fonts, Borders both plain and illuminated, labor-saving Rules, and a complete foundry of Germans.

The types now manufactured are cast from a new combination of metal of great durability, and are usually kept on hand in large quantities. Every fancy font is sold by weight, and at the printed prices, which are from 10 to 25 per cent. less than those of some other foundries. All other printing materials are furnished at manufacturers' prices, either for cash or credit.

Printers wishing to open accounts with me, or whose dealings have been long suspended, are requested to accompany their orders with city references to prevent delay.

Printers of newspapers who choose to publish this advertisement, including this note, three times before the first of August, 1854, and send me one of the papers, will be paid for it in type, when they purchase five times the amount of their bill from me, of my own manufactures, selected from my specimens.

GEORGE BRUCE, 31 Chambers-street, New York.
